Come Join The Fun Culinary Science Club

Our club's purpose is to provide a group where students interested in culinary arts, science, and food production can meet and interact. We inform members about new topics in culinary science through speakers, meetings, field trips, and professional organizations. All majors welcome!

Meetings are held the 2nd & 4th Tuesday of each month in 200 Mackay Hall:

5:45-6:00 p.m. Social/Potluck
6:00-7:00 p.m. Club Meeting

Spring 2015 Meeting Dates & Themes:

• January 13th Breaksfast for Dinner (with pancakes and toppings provided by the Club!)
• January 27th: Fiesta! with a tamale demo by Sam W.
• February 10th Milk and Cereal
• February 24th Mediterranean
• March 10th Legumes (peas, beans, peanuts, alfalfa)
• March 24th Trip to the Orient with a demo by James L.
• April 14th Smoothies
